

How to create your own Parent Powerschool Account

Please create your own personal parental account.

There is so much for you using a parent access account, and there are items you do not have access to through a student account.

Go to Washk12.org and click on the Powerschool Login Link, or simply type powerschool.washk12.org into your browser.

Students & Parents > PowerSchool Login

POWERSCHOOL PARENT/STUDENT LOGIN

<https://powerschool.washk12.org/>

INSTRUCTIONS:

PARENTS:

Starting Fall 2019, WCSD is no longer using Unified Classroom. This will change how you log in as a parent or student.

The Student and Parent Portal can be accessed here: <https://powerschool.washk12.org/>

- If you have a login for the mobile app, that login will work on the PowerSchool Student and Parent Portal.
- If you have signed in before, but don't know your username or password, go to <https://powerschool.washk12.org/>, click "Forgot Username or Password?" below the login box, and follow the instructions.
- If you don't receive a password reset email within 10 minutes after submitting the Forgot Password form, please submit the Forgot Username form to recover your username. It may not be your email address.
- If you have never signed in before, please go to <https://powerschool.washk12.org/>, click Create Account, and follow the instructions. You'll need your student's Access ID and code, which are available from the school. (Please do not call the district, as we cannot give it to you)
- If you try the above, and still need help, please contact the school for assistance.

STUDENT SECURITY

If you are having troubles signing in you will need to call your child's school.

By law and for security purposes the Technology Office cannot provide you with login information. If you have forgotten your username (and/or) password you will need to call your child's school directly.

POWERSCHOOL MANAGEMENT

Student/Parent account(s) are managed by your child's school administration.

PowerSchool servers are managed by the Technology Office.

Congratulations!

*You have successfully set up your Parent Access account. Use your new username and password to login to your **NEW** Powerschool Parent Access Account!*

The screenshot shows the PowerSchool SIS interface. At the top, there is a blue header with the PowerSchool SIS logo. Below the header, the page title is "Student and Parent Sign In". There are two buttons: "Sign In" and "Create Account". A green success message box states: "Congratulations! Your new PowerSchool account has been verified. Enter your Username and Password to start using your new account." Below this, there is a "Select Language" dropdown menu set to "English". There are input fields for "Username" and "Password". A link "Forgot Username or Password?" is located below the password field. A "Sign In" button is positioned to the right of the password field. At the bottom, there is a "PARENTS:" section with a list of instructions:

- If you have your login for the mobile app, that login will work here.
- If you have signed in before, but don't know your username or password, click "Forgot Username or Password?" above and follow the instructions.
- If you request a password reset, but do not receive an email, please use the "Forgot Username" form and enter your email address there to recover your username.
- If you have never signed in before, please click Create Account above and follow
