

***Paying School Fees
Through Your PowerSchool
Parent Access Account***

Go to
Powerschool.washk12.org
Login to your Parent Access
Account.

The screenshot shows the PowerSchool SIS login page. At the top is the Washington County School District logo. Below it is the PowerSchool SIS header. The main heading is "Student and Parent Sign In". There are two tabs: "Sign In" (selected) and "Create Account". A "Select Language" dropdown menu is set to "English". Below that are input fields for "Username" and "Password". A "Forgot Username or Password?" link is located below the password field. A "Sign In" button is at the bottom right of the form. Below the form is a "PARENTS:" section with a scrollable list of instructions:

- If you have your login for the mobile app, that login will work here.
- If you have signed in before, but don't know your username or password, click "Forgot Username or Password?" above and follow the instructions.
- If you request a password reset, but do not receive an email, please use the "Forgot Username" form and enter your email address there to recover your username.
- If you have never signed in before, please click Create Account above and follow the instructions. You'll need your student's Access ID and code, which are available from the school. (Please do not call the district, as we cannot give it to you)
- If you try the above, and still need help, please **contact the school** for assistance. The District PowerSchool Support Team will not be able to give you any login information.

Scroll down the menu on the left hand side of your screen and click
