BEHAVIOR AND CITIZENSHIP

STUDENT BEHAVIOR AND DISCIPLINE

Learning to be a good citizen is equal (or greater) in importance to all other learning at the middle school level. Courtesy to teachers, school employees, other students, and visitors is expected of all students. Students should be considerate of the rights, safety, property, and feelings of others regardless of racial, religious, or economic background.

Each student is expected to behave in the manner appropriate for school and for young ladies and gentlemen. It is the policy of the administration and staff to do everything possible to help every student maintain appropriate behavior and remain in school. However, at times it may become necessary to discipline a student. **The following violate school rules and will be cause for discipline, which may include lunch detention; suspension; court referral; or an educational plan which may include an alternate placement. District policy may dictate a Temporary Disciplinary Transfer (TDT) under certain circumstances (See *Safe Schools Policy* on page 17 of this handbook):**

1. Uncontrolled anger.
2. Insubordination, defiance, disrespect, or profanity directed at administration, faculty, staff, or other students.
3. Vulgar or indecent conduct.
4. Persistent disorder and disruption.
5. Vandalism, graffiti, or misuse of school property.
6. Possession and/or use of alcoholic beverages, tobacco, electronic cigarettes, or drugs on or around school property.
7. Possession and/or use of weapons or fireworks, including knives, matches, lighters, and chains while on or around school property. This includes look-alike weapons.
8. Repeated tardiness to school or classes.
9. Taunting, harassment, bullying, or intimidation of other students or staff.
10. Fighting. Any physical altercation or assault at school will result in an automatic suspension for individuals responsible for the fight. Responsible individuals may also be issued citations for assault.
11. Theft or dishonesty, including cheating and plagiarism.
12. Persistent littering.
13. Gambling or illegal games of chance (cards, dice, and so on).
14. Disruptive toys are NOT allowed at school.
15. Repeated electronic device violations.
16. Repeated violation of the dress code.
17. Gang related activities.

STUDENT DRESS AND GROOMING POLICY (Policy 2200)

1. Purpose and Philosophy

The Board of Education of the Washington County School District recognizes that **every student in the schools should have the opportunity to learn in an environment which is safe, conducive to the learning process, and free from unnecessary disruption.** To foster such an environment the following policy establishes the framework for school dress and grooming.

2. Policy

2.1 Students who attend the schools of Washington County School District are expected to come to school dressed and groomed appropriately for a learning environment and show respect for others by supporting the following dress and grooming standards. These standards are intended to ensure that every school in the Washington County School District will be a safe place for each student to learn, free from physical or moral threats and free from intimidation by others, to include gangs and gang appearance.

3. Procedure

3.1. Dress and Grooming standards:

3.1.1. The attire (apparel) and grooming of all students should be neat, clean, and safe.

3.1.2. Students have the responsibility to **avoid apparel that causes a distraction or disruption, interrupting school decorum and adversely affecting the educational process. Students must also avoid apparel that is offensive, represents a risk, or threatens student safety.**

3.1.2.1. Printed apparel is acceptable only if it is in good taste. Any apparel displaying profanity, suggestive slogans, pictures, or graphics, or promoting substances illegal for consumption by a minor will not be allowed.

3.1.2.2. Clothes that **are mutilated or immodest** are not appropriate school wear. Dresses, shorts, skirts, shirts, and blouses should be modest in length and not revealing. (Tank tops, tube tops, and garments that reveal undergarments may be considered revealing.)

3.1.2.3. Hats are NOT to be worn in school buildings during regular school hours.

3.1.2.4. Any apparel approved for school wear should be worn in accompaniment with appropriate undergarments.

3.1.2.5. Footwear must be worn and should be safe and hygienic. Shoes, boots, and sandals are considered suitable footwear.

3.1.2.6. Clothing attachments or accessories which could be considered weapons are not allowed.

3.1.2.7. Students have a responsibility to cooperate fully with clothing standards required for special classes (such as shop, home economics, laboratories, physical education) and special school activities.

3.1.3. Extremes in body piercings, hair styles, and hair colors may be considered a distraction or disruption.

3.1.4. Gang behavior, apparel or grooming is not appropriate at school. (Reference *Safe Schools Policy* on page 17)

3.1.4.1. As gang grooming styles and clothing continually evolve and change, the following prohibited items that have commonly denoted gang membership or affiliation are only representative of prohibited clothing. Additional grooming styles and apparel may be considered gang-affiliated, as identified in consultation with school officials and law enforcement authorities. Bandannas or any article of clothing or accessory bearing gang symbols, names, initials, insignia, or style of dress that indicates gang affiliation will not be allowed.

3.2. Consequences for violation of the Student Dress and Grooming Policy

3.2.1. A student in violation of the "Student Dress and Grooming Policy" may be sent home to make the changes necessary to follow policy. The student may return as soon as the required changes are made.

3.2.2. Students who dress or groom in a manner that demonstrates gang affiliation may be subject to suspension and/or expulsion.

3.2.3. Suspension from school may occur for continued disregard for the Student Dress and Grooming Policy.

3.3. Every school is to include the Student Dress and Grooming Policy in their student handbooks.

3.4. School employees are held to the same dress and grooming standards as the students

ELECTRONIC DEVICES

Cell phones, ear buds, AirPods, headphones, cameras, games, and other electronic devices are **NOT** to be used at school and should be **turned off during school hours**. Unauthorized use of these devices by students will result in the following actions:

- **First offense** – the device(s) will be confiscated and may be picked up from the office by the student at the end of the school day.
- **Second offense** – the device(s) will be confiscated and must be picked up from the office by a parent or guardian.
- **Additional offenses** – the device(s) will be confiscated and must be picked up from the school by a parent or guardian. A conference with an administrator must be held. Disciplinary actions may be taken, including lunch detention or suspension.

The use of these devices is regulated under the *Technology Acceptable Use Policy* of the Washington County School District pertaining to the use of electronic equipment (See abridged district *Technology Acceptable Use Policy* on pages 18-20).

INTERNET USE

CCMS has internet access in the media center, computer labs, and classrooms. For a student to have access to the internet, they must follow the WCSD *Technology Acceptable Use Policy*. Failure to follow the policy may result in the loss of computer privileges. There may also be disciplinary or legal action taken for illegal or inappropriate material viewed or downloaded (**See abridged district *Technology Acceptable Use Policy* on pages 18-20**). **If a student damages a computer or Chromebook, he or she will be responsible for the costs of repair. All computers and Chromebooks are equipped with software that allows the school to determine who the last user was.**

SUBSTITUTE TEACHERS

Substitute teachers are to be considered guests in our school. It is the responsibility of students to see that every courtesy and assistance is offered to substitutes. Substitutes have been instructed not to give out hall passes. Substitutes have also been instructed to send students who repeatedly disrupt the class or show disrespect to other people in the class to the front office.

PUBLIC DISPLAYS OF AFFECTION

Students are not to physically express affection in public. This means students should not hold hands, embrace, kiss, and so on. Students who repeatedly engage in inappropriate displays of affection face possible administrative discipline.

VANDALISM

Students must not mark on school furniture, walls, ceilings, floors, equipment, or tamper with fire alarms, fire extinguishers, or any electrical systems. Students who willfully destroy school property or create a safety hazard to themselves or others will be subject to school disciplinary measures. Additionally, the individual may be referred to the proper law enforcement agency and issued a citation.

SKATEBOARDS, BICYCLES, AND SCOOTERS

The use of skateboards, bicycles, or scooters is not allowed on Washington County School District property without permission from school administration. Individuals may be cited for trespassing for riding skateboards or roller blades on district property without administrative permission. **WCSD is not responsible for any accident that may occur because of riding skateboards or scooters on school property.**

ATTENDANCE POLICY

***Parents are encouraged to review the *WCSD Attendance Policy (2900)* in its entirety at www.washk12.org.**

It is extremely helpful for parents to monitor their students' attendance, and parents are invited to check PowerSchool or call the attendance secretary at the school to help them with this task.

Crimson Cliffs Middle School is a CLOSED CAMPUS! Students are NEVER allowed to leave school grounds unless they are enrolled in a course at Crimson Cliffs High School, JROTC, or a parent/guardian has properly checked them out of school.

SCHOOL HOURS

The school day at Crimson Cliffs Middle School begins at 8:25 a.m. and ends at 2:39 p.m. Students are requested to arrive no earlier than 7:55 a.m. and stay no longer than 2:55 p.m. unless they are working with a teacher or involved in a school activity.

CHECKING OUT OF SCHOOL – Moving or transferring

If a student is transferring to another school, the parent or guardian should notify CCMS before the last day of attendance. A checkout form will be sent with the student to each class on the last day of attendance. All fees and fines must be paid before the checkout is complete.

CHECKING OUT OF SCHOOL – Leaving school during school hours

If a student needs to leave the school during school hours for doctor/dentist appointments, family activities, funerals, and so on, a parent or guardian must check him or her out by coming into the school and signing the student out. If, for some reason, it is not possible to physically come into the school, the parent or guardian must speak to the assistant principal, Mr. Bergeson, or Mrs. Thompson, by phone.

Students may NOT sign themselves out, and if they do, will be subject to consequences such as lunch detention and/or In-School-Suspension (ISS).

TARDIES

Students may be marked tardy if they are not in their seat when the bell to start class rings. Tardiness is disruptive to the normal class routine and can be detrimental to a student's academic achievement. Students should make every effort to be to class on time. Students who are persistently tardy to class will face disciplinary action.

Students may have a **total** of **five tardies** for the quarter without consequences. For each tardy thereafter, the student will be assigned to lunch detention.

- 6 tardies = 1 day lunch detention + parent notification
- 7 tardies = 2 days lunch detention
- 8 tardies = 3 days lunch detention
- 9 tardies = 4 days lunch detention + parent notification
- 10 tardies = 1 day of ISS + parent notification/meeting with administration

Exceeding 10 tardies will result in additional days of ISS. If a student is tardy 15 times in one quarter, he or she will be referred to court. Excessive tardies to any one class may also result in lunch detention.

If students arrive more than five minutes late to school, he or she must report to the office immediately upon arrival. After signing in, they should then report to their regularly scheduled class. Generally, tardiness to first period class will not be excused without a valid reason such as a medical condition or appointment, or a family emergency.

ABSENCES – Excerpts from *WCSD Attendance Policy 2900*

Absences: An absence is defined as any time a student is not in attendance in the classroom to which he or she has been assigned. For an absence to be considered an excused absence, the school must be notified by the parent in a timely manner, consistent with state law and this policy. **School work missed during any absence is the responsibility of the student to gather and complete. There are two hard deadlines associated with this policy—midterm and the end of the term. If a student misses school during the first half of the term, they have until midterm to turn the missing work in. Likewise, if a student misses school during the second half of the term, missed assignments must be turned in by the end of the term. Individual teachers may extend those deadlines under certain circumstances.**

3.1.1 A parent will be notified by automated phone or email every time the parent's student is absent without excuse. A parent is responsible to provide the school with a current phone number. Parents are encouraged to monitor their student's attendance from this notification on and are invited to call the attendance secretary at the school as often as necessary to improve the student's attendance.

3.2 **Chronic absenteeism:** Student misses ten (10) percent or more school days. Excessive absences (whether excused or unexcused) are calculated into federal, state, and district chronic absenteeism reports.

3.2.1. **Chronic absenteeism, which affects the student's academic performance and educational progress, will prompt interventions as per policy procedures.**

3.3. **Excused absence:** The school shall record an excused absence for valid reasons, as listed below, when the parent/guardian:

3.3.1. Submits a written statement at least one school day before a scheduled family event (including an extended absence) or a scheduled proactive visit to a health care provider if the student agrees to make up course work for school days missed for the scheduled absence in accordance with this policy.

3.3.2. Excuses the student for illness or for a family emergency (such as a family death), both of which may be excused via phone, in person, or by note within a reasonable timeframe as determined by the individual school, but not to exceed one week after the absence.

3.3.2.1. Illness or accident: A student who is absent for health-related reasons for a period of five (5) or more consecutive days, who is undergoing surgery, or who has been injured in an accident, qualifies for immediate homebound services. School work will be collected for the parent to pick up or an alternative educational program may be developed.

3.3.2.2. Chronic illness: Chronic health problems may or may not interfere with attendance at school and learning in the classroom. It is extremely important that parents notify the school concerning health-related problems that their students may have. Documentation from a health care provider is required in validating the seriousness of the chronic illness. If the chronic illness hinders a student's attendance, the parent is invited to meet with a school administrator to formulate an individual attendance plan that will meet the student's needs. It is the responsibility of the parent to schedule such a meeting.

3.3.3. Additional valid excused absences include: an approved school activity; an absence as permitted by a school age minor's Individual Education Plan (IEP) or 504 Plan; or any other excuse established by the school district such as: office excused (if student is detained in the office by school administration); court/detention absences; or homebound.

3.3.4. Excused absence status will not be considered with regards to implementing the required interventions; unless the excused absenteeism becomes so excessive that it impacts the student's ability to progress educationally and/or is affecting the student's academic performance at which point the school may provide interventions as per policy procedures.

3.4. Unexcused absence: Any absence that is not excused consistent with the definitions and provisions of this policy. The school must provide interventions as per policy procedures.

TRUANCY

5.1. Truancy. A school age minor who is at least 12 years old and who is enrolled in a public school shall attend the public school in which the school age minor is enrolled. When a student is absent from the assigned class, without parental or school knowledge, and this absence does not meet the standard of an excused or exempt absence, that student is considered truant.

Truancy is a status offense, i.e.: a noncriminal school-based action prohibited by minors. The minor may not be referred to law enforcement or court; however, may be referred to alternative school-based interventions, including restorative justice programs.

5.1.1. Habitual truant: A school-age minor is at least 12 years old and is truant at least 10 times during one school year.

LEAVING SCHOOL BEFORE THE FINAL SCHEDULED DAY

Student attendance during the last few days of the school year is very important. During the last few days of school grades are being finalized, course and state level final testing is being administered, and check-out procedures for the year are being completed. If a student must check out of school before the last scheduled day, district policy requires the following procedures (Policy 2910).

3.1. Students must submit a written request from parents to the administration of the school three days prior to their leaving.

3.2. Students need to be cleared through the administration before they make arrangements with the teachers. At this time, they will receive a check-out sheet or written confirmation.

3.3. All paperwork and assignments which are completed on time will be accepted and graded with the student receiving the proper credit.

3.4. Tests and final exams are not to be given early.

3.5. The grade will be reduced by failing to be in attendance to take the final exam. (The grade will not be reduced because of the absence but will be reduced by the failure to complete the final exam.)

3.6. No student is to be given an INCOMPLETE grade the last term UNLESS the circumstances are so unique that it can be handled in no other way. This applies to all students, not just those who leave early.

COUNSELING

Counseling services are available to all students. The school counselors, a teacher, or any other member of the staff will be happy to help students with any problem that may arise. Students are welcome to come to the counseling office to talk with a counselor; however, coming to the counseling office for things such as help with homework, to check grades, or to make schedule changes should not be done during class time. Arrangements to do such activities during class time must be made with the teacher and counselor before coming to the counseling office.

CLASS CHANGES AND FEES

If a student needs a class schedule change, he or she may come to the counseling office at an appropriate time. He or she will be required to state a valid reason and obtain signatures from the teacher(s), a parent, and a counselor involved. A fee of \$10.00 will be required before the change will take place. **Students may not make changes to their schedule without parent permission.**

HOMEROOM CLASSES

Homeroom classes serve a variety of purposes at Crimson Cliffs Middle School. School business is conducted, and announcements are made during this time. Students should also use this time to complete assignments, make up tests, check grades with their homeroom teacher, or read if all their work is completed. It is expected that students will be prepared for homeroom each day with work to complete and/or a book to read. **Homeroom is also used for our academic interventions, so we highly discourage parents from checking out students from homeroom, if not for medical purposes such as doctor appointments.**

LATE WORK

Students should make every effort to turn in work on time. Work that is turned in late without a valid excuse is subject to penalty as determined by the teacher. Generally, the midterm date will be considered a hard deadline for all missing work assigned before the midterm date.

MEDIA CENTER

The media center is open before and after school for student use. When classes are in session, students must have a pass from their teacher for that period to be admitted. **The media center is a place for reading and studying.** Students may check out up to three books at a time for a period of two weeks; however, some textbooks may be available for overnight checkout only. The fine for an overdue book is five cents per day.

PHYSICAL EDUCATION

Students enrolled in PE classes will be required to dress daily for PE. Students are required to wear appropriate attire as designated by the teachers. PE clothing is available for purchase at the finance office. No excuse for failing to dress is acceptable unless a written statement from a doctor, or parent/teacher conference, determine otherwise. If a student is not feeling well, he or she is to dress out in PE clothing and then discuss the problem with the teacher (limited participation may be given).

PERSONAL ITEMS ARE TO BE KEPT IN A LOCKED LOCKER. The student assumes responsibility for loss or damage to personal property. Lockers are considered property of the school and are subject to search by administration at any time. **The use of electronic devices such as cell phones and cameras is strictly prohibited in the locker rooms.**

SCHOOL PROCEDURES

SCHOOL BUS RULES

Bus transportation is a privilege granted by the school district at considerable expense. If a student misbehaves on the bus, the driver will file an official complaint. The student will be warned, be given an assigned seat, or have their bus transportation privilege suspended. The same rules concerning dress code and electronic devices apply on the bus. **Students are expected to follow their bus driver's instructions and treat their bus drivers with the same respect as their teachers.** Some specific rules for bus behavior are as follows:

1. Observe the same conduct as in the classroom.
2. Be courteous; use no profane or inappropriate language.
3. Keep the bus clean.
4. Stay in your seat.
5. Treat the bus with respect. No vandalism or graffiti on the bus.
6. Keep head, hands, and feet inside the bus.

SCHOOL LUNCH*

Students may purchase a hot lunch or bring their own lunch from home. Students should keep their lunch accounts current with a positive balance. Students may purchase only one school lunch each day. All food and beverages are to be consumed only in the **commons or in designated outside areas.** ***Students are not allowed to eat breakfast or lunch in the hallways or stairways, in the locker areas, behind the school, or on the grass fields.** The following lunchroom rules should always be followed:

1. Clean up after yourself.
2. No crowding or cutting in line.
3. No throwing anything in the lunchroom.
4. No horseplay in the lunchroom.
5. No unauthorized entry to classroom halls during lunch.

***Students who willfully disobey these rules may be subject to disciplinary action such as lunch detention or suspension.**

ILLNESSES – MEDICINE

If a student becomes ill at school, he or she should come to the office and, with the help of a staff member, contact his or her parents. It is the responsibility of parents to provide transportation for a student who is ill. If a student **MUST** take medication during the school day, it is to be brought to the office and consumed there as required by the prescription. Washington County School District requires two authorization forms to be signed by a student's parent and doctor for school personnel to assist in administering medication. These forms can be obtained at the front office. **Please note that the school is not allowed to give students any type of medication without proper preauthorization.**

SCHOOL TELEPHONE

A student telephone is available for students to use at the attendance window in the front office. **A hall pass from a teacher is required whenever a student uses the phone during class time.** The office lines must be kept open for school business and, therefore, should not be used by students.

LOCKERS

Each student will be issued a locker at the beginning of the school year. It is the responsibility of the student to see that the locker is always kept locked and in order. Lockers are the property of the school and may be inspected by administrators at any time. Students should not keep valuables or large amounts of money in their lockers but should bring them to the office for safe storage. Damage to the locker due to stickers, jamming, and so on, is the financial responsibility of the student assigned to the locker.

Do not give your locker combination out to anyone—not even your best friend! Combinations cannot be changed during the year and best friends sometimes stop being friends at all.

HALL PASSES

Hall passes are required anytime a student is out of class during a class period. Students must have their teacher's permission to use the hall pass. **Misuse of the hall pass will result in hall pass privileges being revoked by the classroom teacher or administration.**

LOST AND FOUND

If personal items are lost, students may check with the office secretary to see if the items have been turned into the lost and found. The student must assume sole responsibility for loss or damage to any property left in the classroom or locker. The school will attempt to protect all properties, but it is **not** responsible for them. Items that are not necessary for the completion of class work or school activities should be left at home.

ANNOUNCEMENTS

Announcements will be held during homeroom. Announcements should be turned in to the student council before homeroom each day. All announcements, posters, and flyers must be approved by the administration before being given to the student body or posted in the school. No announcements or posters concerning commercial ventures will be approved.

VISITORS

Because of the interruptions to classroom activities and campus routine, **no student visitors will be allowed in the school.**

BALLOONS, FLOWERS, OR GIFTS

Because of the disruption of balloons, flowers, and other gifts being delivered to the school, students will be informed that such items have arrived, but not allowed to take them to classes. The item will be kept in the office and may be picked up after school is dismissed.

YEARBOOKS

Students wanting a yearbook should pay for the book before the yearbook order is placed. At the end of the year, extra books will be sold on a first come, first served basis. Students who have not pre-paid for a yearbook may not be able to purchase a book at the end of the year. Yearbooks will not be distributed early. If a student is absent on the day that yearbooks are distributed, he or she can pick up the book later, or have the book mailed out to them. There will be a \$6.00 fee to have a yearbook mailed out.

EXTRA-CURRICULAR ACTIVITIES

STUDENT ID CARDS

A student ID card is the passport to the activity program in the middle school. It identifies a student as an “active” member of the student body. The card will be used to check out books from the library, as a bus pass, and can be scanned in the cafeteria as a means of paying for lunch. The card will also entitle ninth grade students to attend after-school activities sponsored by Crimson Cliffs High School. Lost student ID cards should be replaced. There will be a \$5.00 charge to replace lost student ID cards.

ELIGIBILITY

Students who participate in interscholastic activities must be eligible according to the Utah High School Activities Association (UHSSA) guidelines. In brief, academic eligibility requires participating students to show proof that they have a 2.0 grade point average and no more than one failing grade in the previous quarter. A **No Grade (NG)** or **No Credit (NC)** is considered an *F* until the actual grade has been awarded.

Certain activities may set a more restrictive academic eligibility as determined by the coach or adviser. Parents and students in these activities will be notified of the additional eligibility standards prior to the beginning of the respective activity season. Participation in an extracurricular activity is a privilege offered to students who perform academically. **Good attendance at school is paramount; thus, a truancy (or ditch/sluff) renders a student ineligible for participation in the next school-sponsored activity. Game day attendance to all classes is mandatory. Students who miss class without prior administrative approval will be ineligible to play that day.**

PAY TO PLAY FEE

Students participating in the following extracurricular activities are required to pay a pay-to-play fee: wrestling, football, basketball, softball, baseball, track, volleyball, soccer, tennis, golf, and swimming.

INSURANCE

Student accident insurance is available through a private insurance company. Families may choose from several different policy plans. Students who want to participate in extra-curricular activities but do not have family insurance are encouraged to consider this insurance option. No insurance is provided for students participating in extra-curricular activities by the school. Information about this insurance will be sent home at the beginning of the school year and information forms are available at the school. The policy may be purchased at the first of the year. Any questions can be answered by contacting the office.

SCHOOL-CHARTERED CLUBS

Students are encouraged to be involved in school sponsored activities and clubs. CCMS supports the addition of responsible, new clubs if the goals and objectives of the club are not in conflict with school board policy or local, state, and federal law. For students to charter a new club at Crimson Cliffs Middle School, they must meet the requirements as outlined in Washington County School District Policy 3640. Copies of this policy can be obtained from the front office or referenced on the WCSD website at the following address:
<https://procedure.washk12.org/policy/3000/3640>

ASSEMBLIES/DANCES

There will be no night dances sponsored by CCMS. There may be a variety of assembly programs presented during the year. During dances and assemblies, students should be courteous and display behavior that is appropriate for the dance or assembly.

Students who misbehave may be removed and may be denied the opportunity to attend other activities during the year.

Authorized District employees have the right to intercept or read a user's e-mail, to review any material, and to edit or remove any material which they believe may be unlawful, obscene, defamatory, abusive, or otherwise objectionable. Frequently these sites maintain records which can be subpoenaed to identify what the user has been viewing and downloading on the Internet. In addition, the District reserves the right to monitor whatever a user does on the network and to make sure the network functions properly. A user has no expectation of privacy as to his or her communications or the uses made of the Internet.

3.9.5. At no time may any electronic communication device or camera be utilized by any student in any way which gives the impression to others of being threatened, humiliated, harassed, embarrassed, or intimidated.

3.10. Sanctions Confiscation of Device

Any electronic device found on District property is subject to search and confiscation. The school office should make arrangements to notify the parent/guardian of the student from whom the device was confiscated and arrange for the parent or guardian to pick up that device at the school office.

3.12. Student Disciplinary Actions:

3.12.1. Any use of an electronic communication device or camera to record sounds or images or otherwise capture material in an unauthorized setting or at an unauthorized time shall subject the user of the device to increased discipline based on the circumstances and whether the student has been involved in prior violations of this policy and/or other District Policies.

3.12.2. The use of any interfering device or any electronic communications device or camera to threaten, intimidate, or embarrass another or to capture and transmit test information or any other information in a manner constituting fraud, theft, or academic dishonesty may result in an immediate suspension of not less than three days nor more than ten days.

3.12.3. The use of any interfering device in a manner which may be physically harmful to another person, such as shining a laser in the eyes of another student, may result in an immediate suspension of not less than three days nor more than 10 days.
